GOOD LUCK ON YOUR FINAL EXAMS!!

Thank You!

by Matthew Hartsfield

I want to thank all those students who came to the day-division "Holiday Party." Over 100 students, faculty, and guests came and had a great time. We had a delicious spread of food and drinks which everyone enjoyed. The music was very exciting for all the dancers throughout the night. We also had a fun balloon contest (winners were Ted Mitchell and Elizabeth Armstrong).

The best part of the party, however, was the people. It was great to see everyone there and having a super time. Hopefully, the amount of participation for this party is an indicator for future activities. The Student Government Association, Nova International Students Association, and Student Activities will try to plan more of these events, but we need participation just like in the Holiday Party. Thanks again to everyone.

Attention Attention

Nathan Schattke has resigned from the office of treasurer for the Student Government Association. We regret the loss of his capable leadership in this position. As a result of this resignation, the office of treasurer must now be filled by another student election. If you wish to run for treasurer, you will need to write up a formal declaration of your candidacy and hand it in to the day-division office. Please give this sincere consideration. This is an important office which needs to be filled immediately.
